## Programs

---

### **White Water Canyon Water Park**

As part of our family focused programs and activities, AIDSCare staff on the North Lawndale Campus brought ten of the campus children to the White Water Canyon Water Park in Tinley Park in July. It's not often our campus children ever leave the North Lawndale neighborhood, let alone the city of Chicago, making such outings extremely important to the health and development of our residents and their families. If you are interested in learning more about AIDSCare's Programs and Supportive Services, please contact [ayoung@aidscarechicago.org](mailto:ayoung@aidscarechicago.org) or

[ehomer@aidscarechicago.org](mailto:ehomer@aidscarechicago.org).

Sincerely,

AIDSCare Staff
